

hp optical disks

high-quality write-once and rewritable disks

Exceptional quality control tests ensure that HP's optical disks surpass ISO, IEC and ANSI standards.

benefits and features

With an archival life of 100 years and the benefit of HP's patented robotics technology, these disks are a key part in total reliability library solutions. They are fully compatible with all HP Optical Drives and Libraries and any other manufacturers' library adhering to the same standards.

warranty

Limited lifetime

- ★ Recommended media (optimum speed/capacity)
- Compatible only media

hp 9 gb multifunction optical drive
 hp surestore 14cx optical family
 hp surestore 125, 160, 320, 400, 660, 1200, 5200ex
