

hp DLT cartridges

up to
80 GB*

superior performance and capacity for high-performance servers

- Optimum compatibility with HP Surestore and other DLTape™ drives.
- Rated for 500,000 read/write passes – representing an average of 10,000 cartridge uses.
- Guaranteed archival life of 20 years.
- Hewlett-Packard's extensive test programme shows that an actual archival life of 30 years can be achieved.
- HP cartridges apply the latest advances in binder chemistry to the tape coating, providing increased durability and assuring highest performance under diverse conditions.
- The HP DLT1 cleaning cartridge must be used with the new HP Surestore DLT1 drive. Do not use the HP DLTape™ cleaning cartridge as this will not fit into the DLT1 drive.
- HP DLTape™ cartridges are designed to derive the highest capacity and performance from HP Surestore DLT drive and library systems supporting high-end servers.
- Use HP C5141F DLTape™ IV cartridge for both the HP Surestore DLT40 and HP Surestore DLT80 tape back-up drives.
- Limited lifetime warranty.
- New HP automation bar code labels have been specifically tested for trouble free use on HP Surestore tape autoloaders and libraries.**
